Bits & Pieces:

Savannah Whisler is looking to bring clinician, Erika Jansson who specializes in Cavaletti Clinics to KEC. Maria has graciously offered her facility for this fun learning opportunity. Erika works with all levels of horses any riders, all disciplines, and all confidence levels. It's a great opportunity to learn new ways to help strengthen, elasticize, and supple your horses. Plus, it's fun!

The clinic would take place Monday May 3rd - Ericka will be in Medford, Bend, and then swing down to Klamath on her way back to California. Rides will be \$70 for a 45 minutes group session. Groups will be no more than 4 riders of similar horses and abilities. This is low pressure and most of all a fun way to mix up training sessions!

We need at least 20 riders in order to be able to bring her to Klamath. I have 8-10ish riders interested. I am wondering who else would be interested and potentially would commit to riding in this?
